The recent understanding was with regard to direct correspondence with the Madras Officials. In the present case the Air Secretary H.E.H the Nizams Rly has kindly suggested that a consolidated monthly bill may be sent to him direct. Since the matter is a routine one, perhaps the letter may be sent direct. Subd for perusal and orders.

RS 31/5

Rules 117 to 128 of the General Circulars and Standing Orders provide for cases of correspondence between State officers and officers of the British Govt. There is no specific rule in regard to correspondence between Mysore officers with officers of other States. As the matter is however of a routine nature involving no question of policy or principle, the letter may perhaps be sent direct.
